Specializing in Soil Auditing and Nutrient Balancing, Nitrogen Testing and Recommendations, Crop Diagnostics, Insect Management, GPS Mapping, Yield Data Processing, Variable Rate Populations

AGRONOMY FEES:

| | | |
|--|-----------------|--|
| 1. Soil Analysis Service | \$5.95/Ac | Accurate soil sampling and zone management map. Complete soil analysis: Major and minor fertility elements. Fertilizer recommendations: kind and amount. Crop diagnostics. |
| 2. Nitrogen Testing | \$60.00/Sample | Spring soil Nitrate and Ammonia test. Nitrogen recommendations: kind and amount. |
| 3. Stalk Nitrate Sampling | \$60.00/Sample | Fall stalk nitrate analysis to evaluate current season nitrogen utilization. |
| 4. Tissue Testing/analysis | \$60.00/Sample | Plant tissue test to analyze plant nutrient levels prior to grain fill. Foliar recommendation as needed. |
| 5. Crop Scouting/ Aerial Imagery | \$7.00/Ac | 13 aerial images throughout the season detecting and ground truthing weed issues, weather damage, disease outbreaks, insect infestations and yield estimates. |
| 6. Soil Health Test | \$100.00/Sample | Soil Health Analysis |
| 7. Variable Rate Nitrogen or Planting Population maps | \$1.00/Ac | Variable rate nitrogen maps and/or planting population maps made from CEC zones derived from yield data. |
| 8. Manure Analysis/Water Analysis | \$60.00/Sample | Analysis of Manure and water samples. |
| 9. Full Consulting Package | \$15.50/Ac | Options 1 - 8 used on all acres. |

APPLICATION FEES:

- | | |
|----------------------------|---|
| 10. Chemical application | \$5.00/acre |
| 11. Corn fungicide at VT | \$7.50/ac (applicators equipped w/reichhardt steering system) |
| 12. Fertilizer application | \$5.00/ac - blanket spread; \$7.50/ac - VRT spread |
| 13. Lime application | \$5.00/ton (\$5.00/ac minimum) |
| 14. 11 row sidedress bar | \$2.50/ac |
| 15. 15 row sidedress bar | \$3.50/ac |
| 16. 23 row sidedress bar | \$4.50/ac |
| 17. Custom sidedress bar | \$10.00/ac (coulters or y-drops) (applicators equipped w/reichhardt steering system) |
| 18. Cover crop seeding | \$12.00/ac (applicators equipped w/reichhardt steering system) |
